Minutes:

- 1. Introductions**
- 2. Charges** - charges of the RAC Health Professions were reviewed. This included Area F guidelines, course prefixes, etc. of core courses, course credit based on standardized exams, and providing comments and reviews of proposals from USG institutions.

Follow-up needed:

- a.** Are new health professions degree proposals received by the USG reviewed by this RAC Health Professions? Two members of the committee related their experience and clarification is needed.
- 3. Bylaws** – The committee will need to develop Bylaws as required by the USG for officers, voting, succession planning, etc. Volunteers were asked to identity off-line.

Follow-up: Thanks to Michelle Boyce, Carolyn DeSandre, and Susan Dyess who will assist with the initial draft.
- 4. HIPs** – a question from a committee member was received regarding High Impact Practices (HIPs). It was determined that the question was resolved.

5. **Next Meeting** - Unless any new business comes forward, no other fall meeting is planned. After spring 2021 begins, a new doodle poll will be sent out for a spring semester meeting.

Respectfully Submitted,

Lynda T Goodfellow
